## REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

52478-0900

I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number 5,767,845, granted June 16, 1998and for which a reissue patent is sought on the invention entitled MULTI-MEDIA INFORMATION RECORD DEVICE AND A MULTI-MEDIA INFORMATION PLAYBACK DEVICE

the specification of which

☐ is attached hereto.☒ was filed on 06/02/2000 as reissue application number 09/587,107  
and was amended 11/21/2001, 06/06/2002, 09/24/2002, 04/29/2003, 11/17/2003.  
(if applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/2B (or equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.☒ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

Claims 1, 4, 7, 25 and 26 define page information as "successively" stored in a storage area, while the prior art did not require such a description and therefore the patentees claimed less than they had a right to claim.

Claim 19 defines "successively" regarding time sequence information in a storage area, while the prior art did not require such a description and therefore the patentees claimed less than they had a right to claim.

Claim 7 is amended to replace "disc" with --recording medium--.
